HERE SHE IS, FOLKS! MEET *CANDY*! She's the modern girl in every school. Candy is your daughter, sister or the kid next door who is just beginning to grow up. Candy is sweet, yet exasperating. She is never quiet a moment. This girl has her heart throbs, sorrows and joys common to all 'teen-agers. And she is a "slick-chick," as the kids say, for she sets the pace in styles and quips.

*Candy begins her career on The Dispatch Comic Page **MONDAY**.*
